Ageing, Spirituality and Well-being eBook by Malcolm ...

A lot of people believe that spirituality and aging go hand in hand. And they're probably right (at least when it comes to most of today's seniors). After all, getting older tends to deepen a person's longing for the very things that a spiritual life can provide—things like a sense of comfort, meaning, purpose, and connection.

In the last few decades, gerontologists have become increasingly aware of the importance of spirituality to the well-being of seniors. Spirituality is difficult to define and describe. It is a concept that is highly personal, often private, and hard to put into words. For most, spirituality is an inward experience.

Spirituality & Aging

Spirituality's influence on general well-being and its association with healthy ageing has been studied extensively. However, a different perspective has to be brought in when dealing with spirituality issues of ageing Muslims. Central to this perspective is the intertwining of religion and spirituality in Islam. This article will contribute to the understanding of the nature of Islamic ...
