Accreditation - AMGA | AMGA

The American Mountain Guides Association (AMGA) certifies guides in three different disciplines: Rock, Alpine, and Ski. An individual can be certified at a variety of levels in each discipline. Once certified that individual has been deemed qualified by the AMGA to guide within that discipline within certain terrain guidelines (listed below).

About AMGA and IFMGA Mountain Guide Certification

But hot damn, folks, I've finished all my courses with the American Mountain Guides Association (AMGA) and the International Federation of Mountain Guides Associations (IFMGA) recognizes me as an "aspirant guide" on rock, on skis, and in the alpine. Three final exams separate me from full recognition with the AMGA and IFMGA.

How to Become an AMGA Certified Guide

The AMGA (American Mountain Guides Association) is the American Guide Training and Certification Program. It provides training courses and rigorous examinations in three different disciplines including Rock Guide, Alpine Guide and Ski

Those who receive this certification will have a strong resume of entry-level mountain guide training: a respectable list of climbs that they have completed, level II avalanche training, an American Mountain Guides Association certification, two rescue certifications, a Leave No Trace certification, and an American Alpine Institute Mountaineering Instructor certification.

Mountaineering Instructor Professional Training Program

At a time when most American guides provided no instruction to their clients, the founders launched a mountaineering school offering courses in ice climbing, rock climbing, glacier skills, and off-piste skiing, with a mission to grow their clients into self-sufficient climbers. Today, the Institute continues this tradition of teaching skill mastery and self-leadership, an approach that contributes to our extraordinary record of safety and success in the great ranges of the world.
