California Soul Music Of African

California Soul is an original attempt to discuss the influence, growth, and style of blues, jazz, gospel, rhythm and blues, and soul music--the music of African Americans--in California. While the birth and subsequent growth of these styles in areas such as New Orleans, Chicago, and New York have previously been well documented, California's role in shaping the blues has not.

Soul music is a popular music genre that originated in the African American community throughout the United States in the 1950s and early 1960s. It combines elements of African-American gospel music, rhythm and blues and jazz. Soul music became popular for dancing and listening in the United States, where record labels such as Motown, Atlantic and Stax were influential during the Civil Rights Movement. Soul also became popular around the world, directly influencing rock music and the music of Af

His career reached the next level with “Soul Makossa,” the 1972 single that introduced Dibango’s sound — mixing funk, soul, jazz and African music — to millions of listeners.

'Giant of African Music' Manu Dibango dies from coronavirus

Soul music is a combination of R&B (Rhythm and Blues) and gospel music and began in the late 1950s in the United States. While Soul has a lot in common with R&B, its differences include its use of gospel-music devices, its greater emphasis on vocalists, and its merging of religious and secular themes.

Origins and Influence of Soul Music

Back in Africa, rhythm was part of daily life and was incorporated into labor, rituals and celebrations within the community. One of the most widespread early forms of music for African Americans living in the South was the spiritual, the predecessor to the gospel music.
