Clinical Physician Assistant Exam Years

Individuals who have never been certified and who graduated from an ARC-PA accredited physician assistant program on or after January 1, 2003, will be eligible to take PANCE for up to six years after completing the requirements for graduation from that program. During that six-year period, PANCE may be taken a total of six times. When either the six attempts or six years are exhausted, whichever occurs sooner, the individual loses eligibility to take PANCE.
