Econometrics For Dummies

Economics might be complicated, but it has everything to do with you. Economics For Dummies helps you see how your personal financial picture is influenced by the larger economic picture.

Economics For Dummies by Sean Masaki Flynn

Economics is divided into two general categories:

Acces PDF

Econometrics For Dummies

microeconomics and macroeconomics. One looks at the individual markets while the other looks at an entire economy. From there, we can narrow economics into a number of subfields of study. These include econometrics, economic development, agricultural economics, urban economics, and much more.
