### English Language Learners / English Language Learners

April 12, 2019. Over 10 percent of students in the United States—more than 4.8 million kids—are English language learners (ELLs), and the number is on the rise. Though these students do not learn differently than their native-English-speaking peers, they do have particular educational needs. To learn about these needs—and best practices for addressing them—I interviewed a range of educators and observers, including Larry Ferlazzo, an educator and author of *The ESL/ELL Teacher's ...*
