**"Language, Proof and Logic": Chapter 6 Practice with Structuring Proofs**  
Fitch system resembles the Natural deduction system in that it does not have any logical axioms—it only has inference rules. Each formula in a Fitch proof occupies a node in a tree: again this resembles the Natural deduction system.

**Help page for Fitch, Propositional**  
FitchJS FitchJS is a web app written in JavaScript that lets users construct proofs in a Fitch-style natural deduction system, and export verified proofs in plain text or LaTeX. It is a modification of the LemmoNaDe program, and implements a similar rule set adapted to a Fitch notation. I am no longer actively developing this program.
