Preamble Roadmap to Infrastructure as an

This weekend G20 leaders adopted new High Level Principles on Beneficial Ownership Transparency in Brisbane, declaring “financial transparency, in particular the transparency of beneficial ownership of legal persons and arrangements a ‘high priority’”. But just how good are these principles? Here are six take-home points: 1.

Six things to know: new G20 Beneficial Ownership Principles

these principles aim to provide high level guidance to G20 Members wishing to establish, review, or enhance their legislative and/or administrative standards for asset disclosure of public officials, irrespective of the objective(s) pursued and without prejudice to Members’ privacy protection rules.

High-Level Principles on asset disclosure by public officials

The High Level Principles tell G20 countries to establish and implement clear laws and policies for the protection of whistleblowers. This is particularly relevant for those G20 countries with weak or even absent legislation on the issue.
