### Government and Politics in South Asia, Student Economy ...

South Africa is a parliamentary representative democratic republic, wherein the President of South Africa, elected by parliament, is the head of government, and of a multi-party system. Executive power is exercised by the government. Legislative power is vested in both the government and the two chambers of Parliament, the Council of Provinces and the National Assembly.

**Government and Politics in South Asia, Student Economy ...**

Before 1994 only white South Africans were allowed to vote for the national government. A controversial feature of the South African political system, now abolished, was floor crossing. Members of political parties appointed to the national, provincial and local legislatures had two opportunities during their term, two weeks long and spaced two years apart, to cross the floor and join another party.
