### Grassroots At The Gateway Class

Breaking new ground in the field of Black Freedom Studies, Grassroots at the Gateway reveals how urban black working-class communities, cultures, and institutions propelled the major African American social movements in the period between the Great Depression and the end of the Great Society. Using the city of St. Louis in the border state of Missouri as a case study, author Clarence Lang undermines the notion that a unified "black community" engaged in the push for equality, justice, and ...

### Project MUSE - Grassroots at the Gateway

Challenging conventional narratives of the long Civil Rights Movement, Clarence Lang's Grassroots at the Gateway: Class Politics and Black Freedom Struggle in St. Louis, 1936-1975 is a welcomed addition to one of the most studied contemporary U.S. social movements.

### Grassroots at the Gateway: Class Politics and Black ...

In response to scholarship that artificially divides civil rights demands and African American working-class demands, Clarence Lang's Grassroots at the Gateway provides another significant contribution to the growing field of local black freedom movement studies and the growing number of studies of St. Louis, Missouri. Joining the work of "long civil rights movement" scholars, Lang's study moves across four decades—from the onset of the Great Depression to the rise of the New Right ...
