Pass out Handout 2 to students. As you present the PowerPoint and conduct the guided discussion of GDP, students should fill in the blanks. 7. Ask students to fill in the blanks before you reveal the answers based on your vocabulary activity. This is not designed as a direct lecture, rather as a tool to engage in a conversation with students ...

What is gross domestic product? A lesson

ECONOMICS is the social science that studies how people satisfy seemingly unlimited and competing wants with the careful use of scarce resources. When economists talk about people's unlimited wants, they are making a distinction between what people want and what they need. In economics, a WANT is something we would
