The Components of Employee Resourcing Strategy by Michelle ...

The contribution of HR to develop the Resource Capability: HRP, in the broader meaning of the term, is one of the fundamental strategic roles of the HR function. HR can make a major contribution to developing the resource capability of the firm & therefore its strategic capability by systematically reviewing the firm's strategic objectives & by ensuring that plans are made that will ensure that the HR are available to meet those objectives.

Resourcing strategy mpp 5 - LinkedIn SlideShare

By Max Messmer . The traditional business hiring notion of finding the best people to fill job openings has been replaced by a much more dynamic concept. It's generally referred to as strategic staffing, which means putting together a combination of workers — both internal and external — that is strategically designed to meet the needs of your business and the realities of the labor market.
