Joomla is a great Content Management System with a lot of flexibility and with an easy-to-use user interface that a lot of people get intimidated about when they realize how many options and configurations are available. This manual is meant to serve as a guide to Joomla's basic features and help you install and start your first Joomla website. .

THE COMPLETE BEGINNERS GUIDE TO JOOMLA

Joomla! is offered by most hosting companies under "One Click Installs" (also called Auto Installers) for their customers. The "One Click Install" method offers an "instant" installation of Joomla! which is quick and easy. Follow the instructions your host provides. Use the conventional method of installation. This requires you to copy the Joomla! zip file to your hosting account, unzip, create a database, and then run the installation.
