This book illustrates how to effectively coach your team to beat an opposing team that is playing the 4-4-2 system (including the 4-5-1). The 4-4-2 is perhaps the most common formation used by teams all over the world. Regardless of the formation you employ with your team, understanding how to tactically beat the 4-4-2 formation is a must for any coach. We begin by recognizing the strengths of the 4-4-2, how to negate them, and how to take advantage of its weaknesses.
