### Police Community Relations And The

Building relationships between the police and “the community” is deeply complicated. In truth, there are always multiple communities that police need to build relationships with, especially in urban areas. Cities—and even single policing districts—are often segregated by race, ethnicity, income, and even age.

### Building Community-Police Relations by Building Community ...

Police-Community Relations Overview The key to improving police effectiveness and public safety is to return to the fundamental principles of modern policing, which means both increasing police-community trust and preventing crime instead of reacting to crime.
