Seedfolks Paul Fleischman

“Seedfolks” by Paul Fleischman is a short novel about a vacant lot which connected a community. I wouldn't recommend that story to other readers. The story focused on new characters in separated chapters. The author didn't repeat the previous characters. There is also no ending about how the community was connected.

SEEDFOLKS . now available for the . school stage . Schools can now perform Seedfolks as well as read it. My school-friendly adaptation is large-cast (11 males, 12 females minimum), single-set, and well-supplied with female and nonspeaking roles. It's one-act, technically simple, and at 40 minutes fits into a single class period.

The author's purpose for writing *Seedfolks* was likely to inspire others to bring about change in their community. Even a small action, like Kim's, would be a good start, as the author had tried to bring across the entire novella. Another purpose of writing *Seedfolks* was likely to try to bring people together, to fight social barriers such as race. Fleischman brings these points across quite effectively, as the success in the novella was not immediate, but a gradually growing movement, such ...
