Settlement, Nesting Territories and Conflicting Legal Systems in a Micmac Community. In this groundbreaking book anthropologist Daniel Strouthes studies the development of a legal system by a North American Indian group-a small band of twentieth- and twenty-first-century Micmac in Nova Scotia-and analyzes their inventive land tenure law and territorial responses to settlement.

Settlement of the Mississippi Territory. The residents of the Mississippi Territory were primarily former British or Spanish citizens or natives of other parts of the United States who had migrated to the region in pursuit of land and opportunity. This great migration occurred in two distinct waves. The first wave occurred between 1798 and 1812 ...

Israel's policy of building settlements in occupied territory is one of the core issues in the conflict. Illegal under international law, settlements are built on confiscated or stolen Palestinian land, are one of the core justifications for the building of the wall and the restriction of Palestinian movement within the West Bank, contribute to forced displacement, severely limit Palestinian ...
