The following is a list of colors. A number of the color swatches below are taken from domain-specific naming schemes such as X11 or HTML4. RGB values are given for each swatch because such standards are defined in terms of the sRGB color space. It is not possible to accurately convert many of these swatches to CMYK values because of the differing gamuts of the two spaces, but the color ...

Sylvia and her children later moved to Los Angeles for her daughter, Giovonnie Samuels, to pursue an acting career. On the set of Nickelodeon's "All That," her daughter, nicknamed Gbaby, requested a handbag with women of color. After an endless search Sylvia decided to buy a bag and paint women of color on it, and that is how Gbaby was born!

only slightly from pure black. These colors have a low lightness. From photometric point of view, a color which differs slightly from black always has low relative luminance. Variations of black include what are commonly termed off-black colors, which may be considered part of a neutral color scheme, usually in interior design as a part of a background for ...
