Social Decision Making. The Social Decision Making/Problem Solving Program is an evidenced based program which gives students the tools they need to be happy, healthy and productive global citizens, who achieve academically as well as socially. VISION. To teach children the social and decision making skills they need to be able to make sound decisions, pursue healthy life choices, and avoid the serious social problems of our day such as bullying, substance abuse, violence, and academic failure.

Social Decision Making - Rutgers-Princeton Center for ...

In addition to considering the implications of task and stimuli characteristics for decision processes and outcomes, decision researchers have studied the role of social and cultural factors and individual differences in decision making. Some social aspects, such as conformity, have received relatively little emphasis, despite their clearly important role in decision making, in part because they appear straightforward and not surprising.
