Stolen Childhoods is the first feature documentary on global child labor ever produced. The film features stories of child laborers around the world, told in their own words. Children are shown working in dumps, quarries, brick kilns. One boy has been pressed into forced labor on a fishing platform in the Sea of Sumatra, a fifteen-year-old runaway describes being forced into prostitution on the streets of Mexico City, while a nine-year-old girl picks coffee in Kenya to help her family survive.

It was as if in an instant their childhoods had been stolen from them. But their stories also prove inspirational, such as the nine-year-old girl who stood up to the Japanese guards, or the children who taught themselves Latin by etching out their verbs in the dust. Harrowing, but ultimately uplifting, internment from a child's perspective is a complex - and untold - story.

## **Stolen Childhoods The Untold Story Of The Children ...**

Documentaries like Stolen Childhoods present an uncomfortable dilemma for anyone who cares how movies are made: They have virtually no aesthetic value, but compensate with unimpeachable social worth. Normally, they're limited to screenings at human-rights or documentary-film festivals, or at best, an airing on PBS, but when one of them slips out into theaters, it's like a spoonful of medicine.
