Team Effectiveness In Complex Organizations : Eduardo ...

Abstract. As the use of teams has increased in organizations, research has begun to focus on the role of leadership in fostering team success. This review sought to summarize this literature and advance research and theory by focusing on leadership processes within a team and describing how team leadership can arise from four distinct sources inside and outside a team.

Leadership in Teams: A Functional Approach to ...

Effective managers must have a strong knowledge of the people in the organization and the tasks they perform. They must also have the skills to use that knowledge in practical and flexible ways.
