The Smashing Book 2 Magazine

It would make more sense to see it in a magazine as the results will become dated very fast. The Smashing Book 2 is not a bad book. It is well written and the authors go very deep into each chapter, they are very informative although not so useful in practise. The chapters cover a lot about strategy and theory.

The Smashing Book 2 by Smashing Magazine

The Smashing Book 2 features exclusive full-page illustrations for each chapter. And here we've got something special for you. The illustrations were created by the talented Australian illustrator and our dear friend Yiyi Lu, who is well known as the designer of Twitter's famous " Fail Whale ". But That's Not All, Right?

Use features like bookmarks, note taking and highlighting while reading Redesign The Web (The Smashing Book 3) (Smashing Books).

Redesign The Web (The Smashing Book 3) (Smashing Books) 1 ...

The people from Smashing Magazine are great web designers, but their print design skills do not come even close. I have to break open the book because the text is too near the inner margin. The chosen font is a small sans-serif typeface, which is not good for reading (compare with a book from Sitepoint, for example).

The Smashing Book by Smashing Magazine

In February, Smashing Magazine officially released their latest print book project, The Smashing Book 2, and they were kind enough to send me a review copy at no charge. This review is not a paid review, nor is it influenced in any way by Webdesigner Depot or Smashing Magazine. Free First Month: Millions of Fonts, Freebies & Design Assets
