Kritsada Supawatanakul. Prisons in Thailand still fail to recognise the basic rights of female prisoners, depriving women of essential health services and goods from sanitary pads to bras. Overburdened prisons due to Thailand's harsh drug laws aggravate the current situation. This report reveals the devastating condition of female prisons in Thailand, places where women detainees live without dignity.

The rights of women accused of and imprisoned for crimes are set out in the UN Rules for the Treatment of Female Prisoners and Non-Custodial Measures for Women Offenders, known as the Bangkok Rules, which were unanimously adopted by the UN in 2010. These 70 rules set out gender sensitive international standards for the treatment of women offenders and prisoners in detention (including those in pre-trial detention or post-sentence).
